

JUNE 2010
"THE RAJA PROJECT"
NEWSLETTER

Dear All

First of all thank you so much for your enthusiasm and participation to this project and of course for your support.

This is the first of the monthly newsletters that Arianna and I would like to send our subscribers to inform them about the Raja Project development stages.

The Association was officially created only few weeks ago, but we already have great news:

- 1) We have already reached the number of 35 MEMBERS and we know that very soon we will reach the number of 90, so we will announce the LOTTERY to win a painting by Arianna Caroli! More informations and images as soon as we will get closer.
- 2) We have a BEAUTIFUL WEBSITE created in Viterbo, Italy, by Maria Muti at the Burchiani Studio in cooperation with Ornella Moroni at Immagina . Visit www.therajaproject.com/ to find photos and all the information about our activities as well as the Banking Info for the new subscribers and for whoever is willing to send us a Donation!
- 3) Thanks to Joe Lobbato, Arianna's friend , we are now in contact with Aurelie who is developing a "MONTESSORI" EDUCATIONAL PROJECT IN LAOS. Raja has already made a bank transfer of 500 Euros to support this beautiful Project. Below an interesting email from Aurelie, our contact in Luang Prabang-Laos, on their activities.
- 4) Very soon RAJA will be able to finance a very special project:
THE CONSTRUCTION OF A WELL FOR A CHILDREN SCHOOL IN A LITTLE VILLAGE IN ZAMBIA.
The estimate cost is 6,000 Euros and we are confident that the project will be done very soon under a very special supervision . In fact one of our associates, Carlotta Caroli, Arianna's niece, is working for an NGO right in that village and she is the one who told us about the children School and their need for water. To support the project, we have just received important donations from Associates/Friends :
Family A. from Chicago; J.B. from New York;
Family S. from Milano and J.L. who lives in Bangkok.

For more information, please see "Projects" on our website.

Thanks everybody and let's continue to fly high.

WE BELIEVE IN MIRACLES
