RAJA AT THE ELEMENTARY SCHOOL IN LA QUERCIA VITERBO 15 DECEMBER 2010

"This morning was 'explosive' because Arianna Caroli came to our school". (Leonardo B.)

"This Raja Project is a wonderful thing and Arianna is very good. I learnt something very important: when you draw you can do what you like, draw with your hands with brushes and pens or use other things. It was lovely drawing like this!" (Vlada M.)

"We painted butterflies, flowers and hearts. Oh! she had us all jumping and I enjoyed myself very much with Arianna!" (Riccardo M.)

"Today we had Art with Arianna and I made myself do the best drawing of my life but remembering to enjoy myself like she said. I felt the sensation of enjoyment then love and generosity" (Grace)

"Mother Teresa said that what we do is a drop in the Ocean but I think the Raja Project is making an Ocean in the World!" (Leonardo R.)

"I liked this Raja Project a lot because it moved me, because I like painting and because I thought about many other children in the world while I was working." (Giacomo S.)

"I enjoyed myself very much this morning and I think I'll be a painter when I grow up." (Fabiana P.)

Two wonderful days at the La Quercia elementary school. Thanks to Luciana Biaggi Biscetti the lovely mothers' representative and to Andrea Benedetti who very generously printed more than 120 splendid Raja T shirts. Thanks indeed!

The parents' donations will go to finance one of Raja's projects.
